21	Memo by the Right Honorable the —		Considers the course pursued by the Court of Wards in lending the Money of the Minor Zemindar of Nozeed in Masulipatam District on private loans to have been wholly unjustifiable and to form of itself a sufficient reason why the recommendation of the Commissioner for the Northern Circars as to taking the Pergunnahs of Pentapaud and Gundoogoolanoo in discharge of arrears of Peshcush and Interest should be adopted. Observes that on authorizing this step the Commissioner should be specially directed to enforce the Sale Laws without hesitation should the Zemindary again fall into arrears — —	28th Novr. 1851	6th Jany No. 2	20th Octr 1852 No. 57 P. 18

Judge of the Auxiliary Court of Guntoor on the 31st August 1842 and on which the alleged right of the Cauzee to the tax on Cotton cleaners appears to be chiefly grounded to be a very improper document and that the tax complained of was never sanctioned by a competent authority Is of opinion that the alleged right of demanding it should be distinctly disallowed by Government and that

Thinks it is most desirable to avoid taking the Zemindary of Cavetnugghur in North Arcot under the management of the Court of Wards and that the Acting Collector should be instructed to take measures to have a guardian appointed to the Estate & to confine himself to the recovery of the Peshcush due and accruing to Govt.
